Messages as follows:

I think most of these issues have subsequently been covered so where I thought that to be the case I erased -

1. Doug this morning re: HQ press approach on PFAS (he said he would mention to you again) (erased)
2. Johanna yesterday re: Innovation projects and Jay Benforado's/ORD's background on states' participation (saved – you will want to listen)
3. Friday, June 1 – David Fisher of ACC – sorry he couldn't catch up with you at the PFAS summit – he thought it went well – can you talk further about the PFAS issue? He would like to hear your perspective and involve his staff or members of ACC – can he set up a phone call? (let me know how you would like to handle) – (erased)
4. Tuesday, May 29 – Ted Bzenas on fuel oil spill in Bretton Woods (erased)
5. Wednesday, May 23 – Doug (erased)
6. Monday, May 21 – Tim Williamson re: Schiller follow-up (erased)
